16 November 2022

Ref No. : 2022OLN_0495

Dear Parents,

PSLE 2022: Release of Results

Details on Release of PSLE Results

1. The PSLE results will be released on **Wednesday 23 November**. Your child is invited to return to school to collect her PSLE results that day. She should report to school in her school uniform by **10.30 a.m.**
2. Please note that parents will be allowed to accompany their daughter to school.
3. Should you/your child be unwell or self-isolating, please access her results online via Singapore Examinations and Assessment Board's (SEAB) Candidates Portal at <https://myexams.seab.gov.sg> from 11.45 am on 23 November 2022. The system will be accessible for all candidates from 23 November 2022 to 6 December 2022. We seek your understanding of this measure as their intent is to keep everyone safe and healthy.
4. To facilitate the PSLE Results / Posting process, we have given your daughter the details for the user account issued by SEAB on 14 November 2022, Monday. She has been instructed to hand the details to you.
5. Our Principal, Ms Teo, will conduct a briefing for parents on matters including the choice of secondary schools at 10.45 am in the school hall. This will take place while your daughter receives her results in her classroom.

Providing Emotional Support for Your Child

6. Regardless of the outcome of your child's PSLE, it is important for our children to know that their grades do not define them, and that they are loved for who they are. The social and emotional support we provide will be valuable and crucial in helping our children manage their emotions and be positive when deciding on their next step. Here are some helpful tips and suggestions you may find helpful:
 - a. Celebrate your child's efforts – not the results – no matter how big or small.
 - b. Help your daughter put words to what she is experiencing and acknowledge her feelings in the moment.
 - c. Be aware of and manage your expectations, emotions and responses to your child.
 - d. Refrain from making comparisons, and be mindful of your non-verbal communication (e.g., facial expressions, tone and body language) which your child is sensitive to.
 - e. Look out for out-of-character behaviours in your daughter. Please refer to the attachment below for more details.

- f. Continue to have open conversations with your child to discuss her interests and choices.
- g. Go through the Education and Career Guidance resources which your daughter will receive and access the MySkillsFuture Student Portal (Primary) for more information on schools, courses and career options.

For more resources on providing social and emotional support, affirming your daughter, and supporting her through the transition to secondary school, please refer to the PSLE Parent Kit on PSLE Results Release and S1 Transition” sent by Ministry of Education via PG on 21 Nov.

- 7. Please acknowledge your receipt of the password mailer by clicking on the “Acknowledge” button in this PG message.
- 8. Should you require clarification, please contact your daughter’s form teacher or our Year Head, Upper Primary, Miss Wendy Woo. Email contacts can be found at <https://chijourladyofthenativity.moe.edu.sg/contact-us/email-contacts>.

Thank you & God bless,
CHIJ OLN
