Dear Parents

### **Advisory on Interim Measures during Hot & Humid Weather Conditions till end of Term 2**

1. To help our students manage the recent rise in temperature and humidity better, we will implement the following interim measures from now till the end of Term 2 on 26 May 2023.
  - a. Students can wear their PE T-shirt with school shorts underneath their pinafore when they report to school. When in their classrooms, they are allowed to remove their pinafore. Before they leave their classrooms e.g. for recess or dismissal, they will be reminded to put their pinafores back on.
  - b. Outdoor physical activities will also be minimised between 10.30am and 3.30pm when temperatures and ultraviolet levels are generally higher. Generally, our PE lessons take place in Punggol (Lower), ISH, school hall and gym which are sheltered and equipped with fans.
  - c. There are ceiling fans, wall fans and standing fans in every classroom. Students are also allowed to have their portable mini fans on their tables or use a paper fan to cool themselves if necessary. Please remind your daughters to label their possessions with name and class.
  - d. Students will be reminded to stay well-hydrated by drinking plenty of water throughout the day. There are water coolers on every level, and students can top up their water bottles easily. Do help us remind your daughters to have their water bottles with them daily.
2. We assure you that we will continue to monitor the heat situation closely and to safeguard the well-being of the students.

Thank you and God bless,

Ms Christina Teo  
Principal
