Dear Parents

ACTIVATION OF STUDENT iCON ACCOUNTS

1. The school has issued Student iCON accounts to all students. These accounts are provisioned by MOE and will be used for technology-enabled lessons. More information can be found in our letter previously sent out on 4 Jan (Ref :2022OLN_0007).
2. Your child would have written down her email address in her Student Organiser (page 35). She was also given the generic password to the account. Upon logging in, she will be prompted to change her password.
3. Students are encouraged to activate their accounts at home by this weekend. They had been briefed on how to activate their accounts. The Onboarding Guide is attached for your reference.
4. Should you have further enquiries, please do not hesitate to contact Miss Sarina Md Ismail (HOD ICT) at Sarina_md_ismail@moe.edu.sg Alternatively, you could leave a message for her with the General Office (tel: 63852455).

We look forward to your support of your child's learning.

Thank you & God bless,

Ms Christina Teo
Principal
