

## School Mission

A CHIJ School is a Christ-centered school community where all work together for the promotion of truth, justice, freedom and love, with special reference to the needs of students who are disadvantaged in any way.

## School Vision

Girls of Today for Tomorrow

## Principal's Message

We are happy to see our girls back and we hope that you all have had an enjoyable time during the holidays.

Our heartfelt appreciation to parents and students who joined us at the recent Parents Play On! We are glad to share the excitement and enthusiasm felt by all. You can get a glimpse of the event on our social media accounts. We hope to see more of you at such events!

To further strengthen our partnership with parents, we will be organizing Kopi Chats and Glow and Grow Workshop in Term 3. Kopi Chats provide an opportunity for parents to interact online with the School Leaders while this year's first session of Glow and Grow Workshop will help you better support your child's educational journey, regardless of the level that your child is in.

Come Term 3, we do foresee that the hot and humid conditions will still persist. As such we will continue with the measures we shared last term (**Parents Gateway Letter dated 19 Mar 2024**), e.g. bringing portable mini fans, reminders to drink plenty of water. Please note that if the girls are to remove their pinafores, they should be wearing their school shorts underneath the pinafore.

# General Information

## Updating of Medical Conditions

---

If there are any changes to your child's medical condition(s)/ dietary preferences(s), please update via Student Details Form portal at <https://pg.moe.edu.sg/forms/sdf> as well as provide the details to your child's form teachers so that our records can be kept current and updated. In addition, if your child is bringing medication / inhalers to school, please ensure that her Form Teacher is aware of this. You can contact the teachers via email; please check the [website](#) for their email address.

## Temperature-Taking Exercise (TTX) on 3 July 2024

---

To maintain our preparedness and to educate our students on personal responsibility for their own health and on social responsibility, we need our students to be familiar with the temperature-taking process. As such, there will be a temperature-taking exercise on **Wednesday, 3 July 2024**. Please ensure that your child brings her personal Oral Digital Thermometer (ODT) daily.

## Racial Harmony Day on Wednesday 17 July 2024

---

CHIJ OLN will commemorate Racial Harmony on Wednesday, 17 July 2024 with the theme "Singapore: Our Multicultural Mosaic". We will be conducting activities in school to help our students reflect on how they can play a part to strengthen trust and friendship with people of other races and religions. They will also learn that in Singapore, people are treated equally regardless of their race and religion, and that students should appreciate the different cultures that make up Singapore.

There is no change to the school hours and dismissal would take place at the usual time. Students should come in their school uniform and school shoes as usual.

## Vendor for School Uniform and PE Attire

The vendor for school uniform and PE attire is still Magdalene Sewing Centre. As they have just signed a new contract with IJ OLN with effect from 1 July 2024, please note the revised prices of the school uniform and PE attire below. In general, there is a slight increase in the price of the blouses. Please note that the purchase of a cardigan is **optional**.

### CHIJ OLN School Uniform Size Spec (in inches)

**Measurement Guide**  
 \*Measurement is base on garment, not body\*  
 \*Measurement is one round of the garment lying flat or waistband before stretch\*  
 \*Recommended to measure any tee / shorts that your child is comfortable wearing and compare against the size chart\*

**Pinafore**

Measure from the shoulder down to the knee

Recommended length is below kneecap

**Blouse / Tee**

Measurement is one round

**PE Shorts**

Measurement is one round

**Cardigan**

Measurement is one round
